HUSQVARNA AUTOMOWER® 430X

Advanced and fully sized model in the X-line series from the world leaders in robotic mowing. Smart enough to negotiate the challenges of large and complex lawns – like multiple narrow passages, obstacles, tough terrain and slopes up to 45%. GPS-assisted navigation and a host of features including Automower® Connect make it the intelligent way to keep your lawn green, healthy and perfectly mowed. The Automower® Connect app keeps you in control: track, interact and stay updated at the touch of a screen, wherever you are in the world.

Working area capacity	3200 m ² ±20%
Maximum slope performance inside installation	45 %
Maximum slope performance at boundary	15 %
Weight	13 kg
Typical mow time on one charge	145 min
